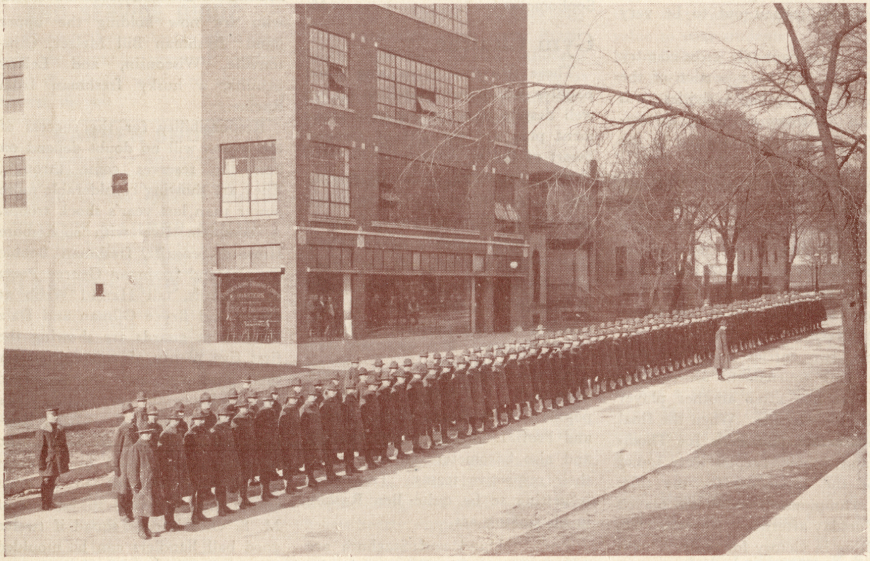
The Big Four Go a Bendering—But don't be alarmed, ye new wives, it was in '29 when these "Engineers" were Seniors. Left to right: Albie Buge, Harold Boekhout, Norbert J. Richards and Reuben Tayek. Now all are sedate members of the profession—Buge and Richards in Milwaukee, Tayek in Chicago and Boehhout in Michigan.

Radio's Newest Noisemaker—Installed by WISN. Designed and built by N. J. Richards. Produces crowd yells, wind howls, etc.

Renewed Interest in Sports holds forth for next year such interest as this—the 1920 Thanksgiving game of the Engineers climaxing a successful season.



The 18th Armistice Celebration recalls M. S. O. E.'s first—with three Engineer R. O. T. C. and S. A. T. C. units and a 50-piece band leading the joyful students through Milwaukee streets.

"The First Engineer," Grover E. Kreucke, '04, is sponsoring a fund to buy pictures for the School's hall, honoring regents who have passed on. The plan, according to Alumnus Kreucke, is to make the fund a permanent institution.
